

We are all part of God's vine and are rooted in His rich soil. We are nurtured and supported so that we may grow and spread out into the world to love and to serve.

Goring Church of England Primary School Curriculum and Vision Map 2027 -2026

Curriculum Theme	Curriculum Area	Class	Relation to Vision	Celebration of Diversity and Difference
Dreams and Ambitions	People who help us	Greenfinch	Understanding how we can step out into the world to love and serve others within our local community.	Celebrating the valuable contribution of people from different backgrounds, cultures and professions who help and support society.
	Medical Pioneers	Owl	Understanding how different people can love and serve their local, national and global communities and be a catalyst for change.	Children celebrate the achievements of the different historical people whilst acknowledging how differences, diversity and inclusivity is embraced and celebrated.
	Intrepid Explorers	Robin	Learning about people whose courage, curiosity and determination enabled them to discover new places and inspire change.	Recognising explorers from a range of backgrounds and celebrating the diversity of experiences and perspectives they represent.
	Romans	Ibis	Learning how people and civilisations have shaped society and influenced the world we live in today.	Exploring how cultures develop and change over time and the lasting influence of the Roman world on Britain.
	Windrush	Nightingale	Learning about people who have shown courage and resilience whilst contributing positively to British society.	Celebrating the contribution of the Windrush generation and recognising the richness that diversity brings to communities.

	Victorians	Goldcrest	Exploring how individuals and communities have influenced change and development within society.	Understanding how life differed for people during the Victorian era and how society has become more inclusive over time.
Britain Through the Ages	Toys	Greenfinch	Reflecting on change over time and appreciating how childhood experiences connect generations.	Recognising that childhood experiences vary across cultures, communities and periods of history.
	Historical events	Owl	Understanding significant events that have shaped communities and the nation.	Exploring how different groups of people experienced historical events and contributed to society.
	Windrush	Robin	Learning about people who have shown courage and resilience whilst contributing positively to British society.	Celebrating the contribution of the Windrush generation and recognising the richness that diversity brings to communities.
	Stone Age to the Iron Age	Ibis	Developing an understanding of how communities adapted, innovated and flourished over time.	Recognising how human societies developed in different ways and locations throughout history.
	Anglo-Saxons and Vikings	Nightingale	Learning about those who have made a difference to the world and been a catalyst for change.	Study of how culture and our way of life has evolved over time and the impact of this on British culture.
	Battles and Wars	Goldcrest	Considering the impact of conflict and the importance of peace, reconciliation and service to others.	Recognising the experiences and sacrifices of people from diverse backgrounds during times of conflict.
Extreme Earth	Creations great and small	Greenfinch	Providing opportunities for awe and wonder as children explore and value God's creation.	Encouraging respect for the diversity of living things and appreciation of the natural world.
	Mountains	Owl	Developing appreciation for the beauty, power and diversity of God's world.	Exploring how people live in and adapt to different environments around the world.
	People and Places	Robin	Developing an appreciation of communities and the places in which people live.	Celebrating the diversity of cultures, traditions and lifestyles found across the world.

	Rainforests (South America)	Ibis	Understanding our responsibility to care for the environment and the world's precious ecosystems.	Exploring the lives, cultures and traditions of people who live within rainforest regions.
	Natural Disasters (America)	Nightingale	Learning how communities respond with courage, resilience and compassion during times of challenge.	Recognising the experiences of people affected by natural disasters and how support can be offered globally.
	Coasts, Climate Change & Manmade Disasters	Goldcrest	Focusing on the environment and how we have a responsibility to look after the world around us. Developing individuals so that they are ready to step out into the world to love and to serve.	
Investigating Places	Local study	Greenfinch	Developing appreciation for the community in which we live and our role within it.	Recognising the diversity, history and unique characteristics of our local area.
	Maps	Owl	Developing understanding of the wider world and our place within it.	Exploring countries, cultures and communities through geographical enquiry.
	Cities	Robin	Appreciating the richness and diversity of communities across the world.	Celebrating the different cultures, traditions and ways of life found within cities.
	Global, National and Local knowledge	Ibis	Developing understanding of our responsibilities as local, national and global citizens.	Recognising and valuing the diversity of communities at different scales.

	Biodiversity	Nightingale	Understanding the importance of caring for creation and protecting living things.	Celebrating the diversity of life and the interconnectedness of ecosystems.
	Coastal & Ocean Animals	Goldcrest	Developing stewardship of the natural world and understanding the importance of conservation.	Appreciating the diversity of marine life and the need to protect vulnerable habitats.
A Journey Through Time	Fairy tales and Nursery Rhymes	Greenfinch	Opportunities for awe and wonder	
	Castles	Owl	Understanding how communities and societies have changed throughout history.	Exploring different roles within historical societies and how lives differed in the past.
	Travel and Transport	Robin	Understanding how innovation and exploration help people connect, serve and support communities.	Exploring how transport has brought cultures together and shaped societies.
	Olympics	Ibis	Learning about determination, perseverance and striving to achieve personal goals.	Celebrating diversity, inclusion and equality through the achievements of Olympians and Paralympians.
	Leisure & Entertainment	Nightingale		Study what different people from around the world do in terms of leisure and entertainment. Study how leisure and entertainment has changed over time and how this has impacted on British society today.

	The History of British Government and Politics	Goldcrest	Learning about politicians and activists who have made a difference to the world by loving and serving.	Study of how politicians serve a diverse community.
Around the World	Seaside & Holidays	Greenfinch	Appreciation of the country in which we live and the impact we can have on it.	Study of how the seaside differs around the world and what holidays different families go on.
	UK	Owl	Developing pride in and appreciation of the country in which we live.	Celebrating the diversity of cultures, traditions and identities within the United Kingdom.
	Africa	Robin	Providing opportunities for awe and wonder through the study of a diverse continent.	Celebrating African cultures and recognising both the similarities and differences in everyday life.
	India	Ibis	Providing opportunities for awe and wonder through learning about the wider world.	Celebrating Indian culture, traditions and beliefs whilst recognising shared human experiences.
	South America	Nightingale	Developing curiosity and appreciation for the wider world and its people.	Celebrating the rich diversity of cultures, environments and communities across South America.
	The Dynamic Earth	Goldcrest	Developing awe and wonder at the complexity and power of the natural world.	Exploring how geographical processes affect people in different places across the globe.
