

CHARGING AND REMISSIONS POLICY SUMMARY FOR PARENTS

Policy reviewed and agreed by:	Finance and Resources Committee
Date:	June 2026
Next review:	June 2027

The Federation of Goring and Stoke Row Church of England Primary Schools want to provide a range of experiences which add excitement and enjoyment to children's learning and personal development. All our pupils should have an equal opportunity to benefit from school visits, curricular and extra-curricular activities.

Many of these activities have a cost associated with them and, unfortunately, cannot be provided unless we ask parents for voluntary contributions and, in some cases, make a charge. But there are some strict rules we must abide by. Our charging policy, which has been agreed by the governors, sets out what we will charge for, how we will try to make it manageable for parents and how we will help parents with limited incomes.

The full, detailed, policy is available on the school website.

Voluntary contributions

We cannot charge for activities which are part of the normal school day or part of the National Curriculum, but we can ask for voluntary contributions.

Examples of circumstances in which we might ask for voluntary contributions include:

- Swimming trips
- Workshops run by external providers
- Activities requiring additional resources such as ingredients for cookery
- Transport on trips
- Admission charges

Why do we need to ask for voluntary contributions?

We want to offer a wide range of activities to broaden your child's experience, but we can't afford to do everything we would wish without help from parents.

What happens if I am unwilling to pay?

Your contribution is voluntary. Your child will not be excluded from the activity. BUT if the level of voluntary contributions falls well short of the funds that we require to pay for the activity, then we may have to cancel it.

What happens if I am unable to pay?

Parents in certain financial circumstances (below) will not be expected to make voluntary contributions.

Will my voluntary contribution pay for people who have not paid?

No. The amount we ask in voluntary contribution must not exceed the actual cost of the activity per pupil. If the activity goes ahead any shortfall will be made up out of the school budget.

We promise that:

We will tell you at the outset if the activity cannot be funded without voluntary contributions.

We shall give as much notice as possible of any activities which will require voluntary contributions.

We can charge for optional extras

We can charge for any materials, books, instruments or equipment if you wish your child to own them.

This means that we will make a charge for:

- Materials used in technology if your child is expecting to bring the finished product home
- Music grade exams and related music sheets
- Cookery ingredients if your child will bring the result home
- Trips which are not part of the school curriculum and outside the school day e.g. some theatre trips, football matches, music concerts
- After-school clubs

We can charge for music tuition if it is not required as part of the National Curriculum and is provided for an individual pupil or for appropriate sized groups of pupils.

We promise that:

The charge will not exceed the actual cost of providing the optional extra.

We will obtain your agreement before we provide the optional extra.

Charging for residential visits

We believe that every child has an entitlement to a residential visit during their time at Goring Church of England (Aided) Primary School or the Stoke Row Church of England Primary School. This will be built into the school curriculum.

We can't charge for transport although we usually need to request voluntary contributions.

We may charge for board and lodging (unless parents are in receipt of one or more of the benefits listed at the end of this guide). The charge will not exceed the actual cost.

We promise to help you to plan for these costs by:

- ensuring that you have as much notice as possible
- having clear procedures to enable you to pay by instalments

- publishing a fair, objective and transparent procedure for allocating places in case of over-subscription (we shall avoid 'first come, first served' payment which may favour some pupils more).
